## A TRIBUTE TO MY DEAR STUDENTS

Teaching is my experience, and luckily my experience as a Principal has been beautiful, emotional and fulfilling. Over the years, I've watched the student teacher equation evolve: from guru as god, guru as well knowing "A disciple is not above his teacher, but everyone when he is fully trained will be like his teacher" (Luk 9:40) - to guru as friend and equal, as someone who doesn't always know best. Today's guru and shishya are partners in the process of teaching and learning. We inspire, motivate and learn from each other; The teachers are only the facilitators, one who will help the student grow to his/her potential, become a self-learner. The teacher is only one of many sources. Not infrequently, there is a role reversal with children being so tech-savvy. Has teaching changed the way I think? Yes most certainly my students have shown me how to manage time, manage a row

deftly they juggle sports, academics, dance and poetry for instance have learnt how accept failure as I see my students taking success and failure with equanimity. I see them sharing everything-their notes and their problems and joys; their food with such ease. It is wonderful the way they appreciate their classmate's talents.

If you ask them "who do you think should be given this task?" You can be sure they will pick the most suitable person. Their loyalty to friends disconcerts me at times. Will their selflessness last? As they grow into adults?

"I have to be always ready for surprises. I know they are not testing me-Above all my students have taught me to be young, to never grow old and to be up-to-date in everything in order to keep up with them. I've always felt that being an educator isn't about what you do; it's about who you are?"

GOD BLESS YOU ALL!

Regards,

Mrs. ASHADANIEL  
Principal

### 19th Annual Day Celebration

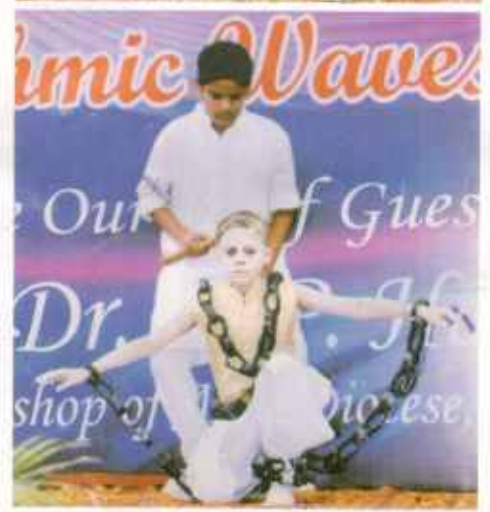

Holy Trinity Church School solemnly celebrated its 19th Annual Day on 4th Of October, 2013. It was a grand celebration which saw the little stars twinkle on the ground. Many dignitaries including Dr. P.P. Habil (Chairman & Bishop Agra Diocese, Agra) as the Guest of Honour presided over the function, others were Rev. Santosh Pandey (Secretary Diocese of Agra), Prof. G. M. Ram (Official Secretary DEB), Mr. N. Munnawar (Secretary ADTA), Mrs. S. Mohan (Our Manager), Rev. Sushil Kumar, Rev. Solomon David,

Pastor Alok Sinha, Mr. Varad Daniel and Mr. R. K. Daniel.

A mesmerizing cultural dance show "Rhythmic Waves" celebrating India's rich heritage and exhibiting diverse cultures which are interwoven in the fabric of a country, visualizing its timeless cultural ethos, its impeccable legacy of history and its enviable repertoire of awesome geographical diversity, grabbed the attention of the audience from tiny toddlers to tenny boppers.

Throughout the three hour show of

excellence the students resplendent in various costumes enraptured the audience with their message. Programmes like cultural dances, skits etc. depicted the degraded community that has taken birth due to erosion of moral values in the coming generations. Plays like such are nothing but subtle manifestations of the holistic human growth the students are receiving under the shade of Holy Trinity Church School. The programme was followed by a mellifluous motivational song which had rhythmic waves of musical outpouring.

Message .....

I envision Holy Trinity as a happy, secure, hardworking, sincere school of learning. Therefore, it is imperative that once a child enters the portals of this hallowed edifice he or she finds it to be a haven where many hours can be spent in joyful and uplifting company making it his / her second home. It is our aim not only to pursue academic excellence but also to motivate our students to be life long learners, critical thinkers and productive members of an ever-changing global society.

Our school aims to develop a good sense of discipline and moral values with in the ever changing social norms of the society. Children these days are much more sensitive, they possess very high self esteem and believe in independent thinking. Therefore we ensure that the approach to motivate as to get the best out of child is based on the positive

reinforcement of good work and behaviour.

Our educational philosophy is centered on praise, encouragement, enthusiasm and affection rather than criticism, fear and punishment. We constantly work to develop a sense of discipline and good moral character where all students are expected to conform to high disciplinary standards and to develop values of tolerance, fair play, compassion, integrity and fortitude.

At the end, I would like to say that the members of Holy Trinity Church School are working towards ensuring a great learning experience for students to inspire them to be aware, productive members of the society.

Good wishes

Asha Dar,iel (Princip

## DOODLE 4 GOOGLE COMPETITION

A doodle for Google competition was organized for classes VIth to XIIth. The children used their artistic talents and showed their imagination by designing a doodle on:

### "Celebrating Indian Women"

This competition saw an amazing display of the imagination of these budding artists.

## Class-wise Educational Tours

Excursion facilitates a multifaceted perception of the world. A child sees what adults are occupied with and implies how in the future he/she will also take part in productive, mental, moral, physical and social processes by participating in them.

The students of classes Nursery to XII were taken on annual excursion to

Drizzling Land, Ghaziabad. It is an ideal amusement park for students to spend the day. All the joy rides such as monorail, My Fair lady etc. were fun filled. They bade goodbye to the serene yet so alive atmosphere with moist eyes. It was indeed a rejuvenating experience for students.

## Christmas Day Celebration

Christmas was celebrated with great pomp and show by the young scholars of Holy Trinity Church School on 21 December, 2013. Children came attired in beautiful Santa Claus and fairies dresses dancing on the tunes of "Jingle Bells". They also staged the nativity of Lord Jesus.

The program began with a Choir Song—"Joy to the World". The Christmas tree was decorated with bells, gifts etc. this was an added attraction for the children.

The Principal Mrs. Asha Daniel congratulated one and all for putting up a wonderful show and gave an inspirational message to the students to imbibe high values of life i.e. sympathy, deep thinking, service of humanity, respect for elders and sacrifice for mankind. Quoting from the Bible she told that each child should strive to follow the

footsteps of Jesus Christ.

The whole atmosphere was abuzz with festivity, joy and enthusiasm.
